FUTURE PERFECT CONTINUOUS: VISUAL TREE

Menekankan DURASI suatu aksi yang akan terus berlangsung sampai titik waktu tertentu di MASA DEPAN

1. ACTIVE VERBAL SENTENCE

Kabar baik: Tidak ada percabangan subjek! Semua menggunakan "will have been + V-ing".

Semua Subjek (I, You, We, They, He, She, It)

↓

+ Positive

`S + will have been + V-ing`

By 2028, I will have been working here for 10 years.

They will have been studying for 3 hours by 5 p.m.

↓

- Negative

`S + won't have been + V-ing`

By 2028, I won't have been working here for long.

↓

? Question

`Will + S + have been + V-ing?`

Will you have been working here for 10 years by 2028?

Konsep Durasi Sampai Titik Target (Timeline)

*Garis tebal oranye menunjukkan **proses durasi (10 tahun)** yang terus berjalan dan terhitung saat titik target di masa depan tiba.*

2. PENGECUALIAN STATIVE VERBS & STATE (NOMINAL)

Peringatan Keras! Tense berdurasi ini menolak kata kerja keadaan/perasaan (Stative Verbs).

Kata kerja Stative (seperti *know, belong, love, contain, understand*) **HARAM berakhiran -ing**. Jika Anda ingin menyatakan durasi keadaan dengan Stative Verb di masa depan, rumus dipaksa mundur ke **Future Perfect Biasa**.

Jika bertemu Stative Verb (Contoh: "know" - mengenal)

↓

❌ **SALAH**

Future Perfect Continuous

`will have been knowing`

~~*By next month, I will have been knowing him for 5 years.*~~

➜

✅ **MUNDUR KE SINI**

Future Perfect Biasa

`will have + V3 (known)`

By next month, I will have known him for 5 years.

BENTUK STATE / NOMINAL (KATA SIFAT / PROFESI)

+ Rumus Nominal

`S + will have been + Complement`

*By next year, she **will have been** a doctor for 5 years.*

Aturan Pergeseran:

Karena status/keadaan tidak memiliki kata kerja aksi, kalimat Nominal menggunakan bentuk dasar **Future Perfect (will have been + Complement)** untuk mengekspresikan durasi waktu di masa depan.

3. PASSIVE VOICE

Fokus pada Objek yang AKAN SUDAH TERUS DIKENAI AKSI di Masa Depan (Sangat langka secara lisan).

Semua Objek (Tunggal & Jamak)

↓

+ Positive

`S (Obj) + will have been + being + V3`

The project will have been being developed for 2 years by December.

*Bentuk pasif ini secara matematis ada, namun jarang dipakai karena deretan kata bantu yang sangat panjang.

4. ALUR WH-QUESTION (Alur Pertanyaan Terbuka)

Rangkai pertanyaan durasi (How long) dengan 4 gerbong berurutan ini:

1. WH-WORD	→	2. AUXILIARY	→	3. SUBJECT	→	4. VERB / COMP.
How long *What, Where, Why*		**will** *(melompat ke depan)*		**I, You, They, We** *He, She, It*		**have been + V-ing** *(TIDAK melompat)*

Contoh Durasi: [How long] → [will] → [you] → [have been living] here by next year?

Contoh Aktivitas: [What] → [will] → [they] → [have been doing] for 5 hours?
