# PAST PERFECT CONTINUOUS: VISUAL TREE

Menekankan DURASI suatu aksi yang sudah dan masih berlangsung sebelum aksi lain di MASA LALU

## 1. ACTIVE VERBAL SENTENCE

*Tidak ada percabangan subjek. Semua subjek dilebur ke satu jalur mutlak!*

**Semua Subjek (I, You, We, They, He, She, It)**

↓

**+ Positive**

`S + had + been + V-ing`

*They had been waiting for two hours when the bus finally arrived.*

↓

**- Negative**

`S + had not + been + V-ing`

*They hadn't been waiting long when the bus arrived.*

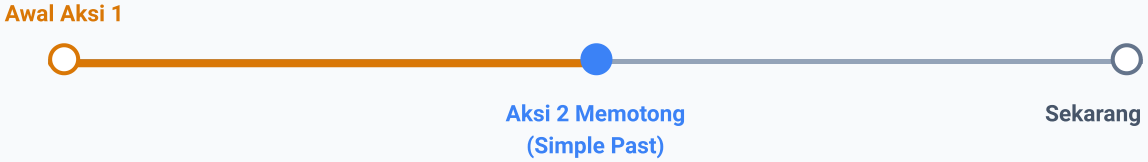

↓

**? Question**

`Had + S + been + V-ing?`

*Had they been waiting for two hours when the bus arrived?*

### Konsep Urutan Waktu & Durasi (Timeline)

*Garis tebal oranye menunjukkan **proses menunggu (Aksi 1)** yang terus berlangsung selama 2 jam, sampai akhirnya **bus datang (Aksi 2)**.*

## 2. PENGECUALIAN STATIVE VERBS (NOMINAL)

*Peringatan Keras! Tense ini menolak kata kerja keadaan/perasaan (Stative Verbs).*

Sama seperti saudaranya di Present, **Past Perfect Continuous TIDAK PUNYA BENTUK NOMINAL**. Anda dilarang keras menambahkan *-ing* pada kata kerja yang menunjukkan kepemilikan, panca indera, perasaan, atau pemahaman (seperti *know, have, be, like, belong*).

**Jika bertemu Stative Verb (Contoh: "know" - mengenal)**

↓

❌ **SALAH**

**Past Perfect Continuous**

`had + been + knowing`

~~*We had been knowing each other for a year before we married.*~~

➜

✅ **MUNDUR KE SINI**

**Past Perfect (Biasa)**

`had + V3 (known)`

***We had known each other for a year before we married.***

**Kenapa harus mundur?**

Secara logika, kata kerja seperti "mengenal" (*know*) adalah sebuah status mutlak, bukan aktivitas fisik yang bisa "sedang dilakukan". Anda tidak bisa "sedang mengenal" seseorang; Anda tahu atau tidak tahu. Oleh karena itu, semua Stative Verb dipaksa mundur meminjam rumus **Past Perfect biasa (had + V3)** meskipun maknanya menunjuk pada durasi.

## 3. PASSIVE VOICE

*Fokus pada Objek (Catatan: Sangat jarang digunakan oleh penutur asli karena terlalu kaku).*

**Semua Objek (Tunggal & Jamak)**

↓

**+ Positive**

`S (Obj) + had + been + being + V3`

*The road had been being repaired for weeks before it opened.*

*Rumus Triple Lock (been + being + V3) sangat dihindari karena repot diucapkan.

## 4. ALUR WH-QUESTION (Alur Pertanyaan Terbuka)

*Rangkai pertanyaan durasi (How long) dengan 4 gerbong berurutan ini:*

| 1. WH-WORD | → | 2. AUXILIARY | → | 3. SUBJECT | → | 4. VERB / COMP. |
|---|---|---|---|---|---|---|
| **How long** *What, Where, Why* | | **had** *(melompat ke depan)* | | **I, You, They, We** *He, She, It* | | **been + V-ing** *(TIDAK melompat)* |

**Contoh Durasi:** [How long] → [had] → [you] → [been waiting] before the bus arrived?

**Contoh Aktivitas:** [What] → [had] → [she] → [been doing] before the lights went out?
