PAST PERFECT: VISUAL TREE

Aksi yang SUDAH SELESAI sebelum aksi lain terjadi di MASA LALU

1. ACTIVE VERBAL SENTENCE

Kabar baik: Tidak ada percabangan subjek! Semua menggunakan "had".

Semua Subjek (I, You, We, They, He, She, It)

↓

+ Positive

`S + had + V3`

I had finished my work before she arrived.

↓

- Negative

`S + had not + V3`

I hadn't finished my work before she arrived.

↓

? Question

`Had + S + V3?`

Had you finished your work before she arrived?

Konsep Urutan Waktu (Timeline)

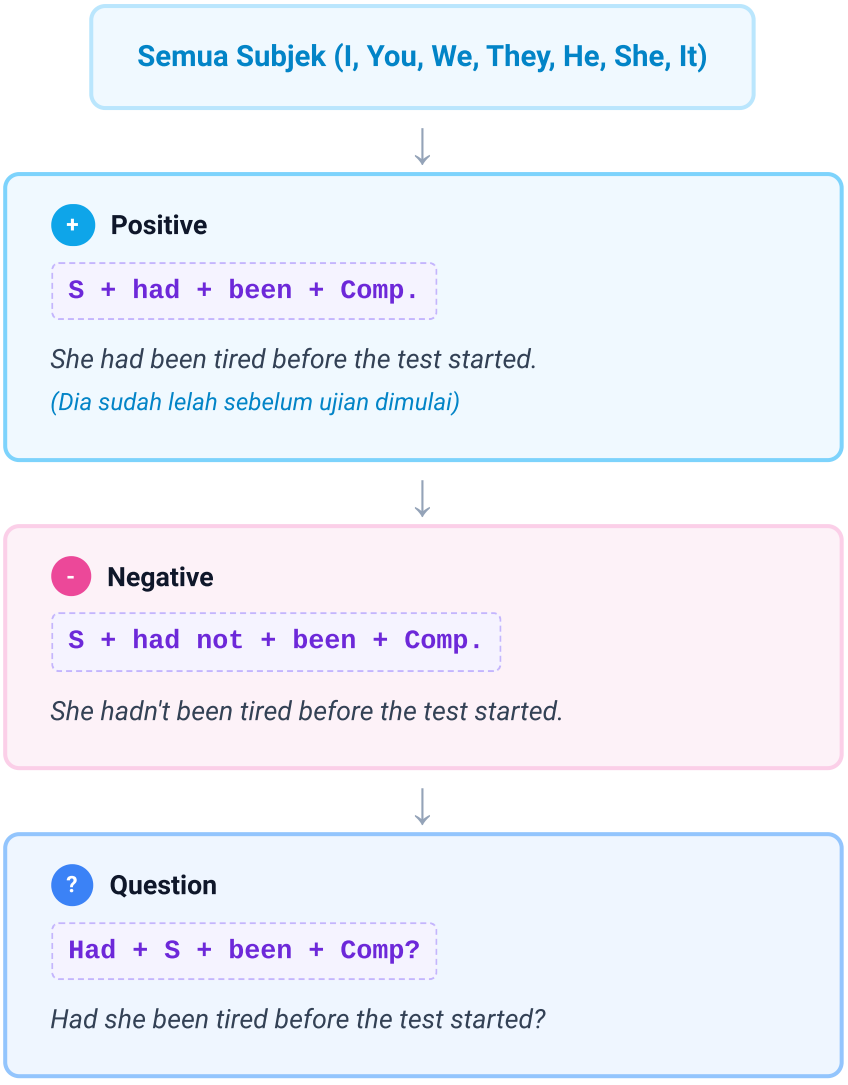

*"Saya **sudah selesai** bekerja (Aksi 1) sebelum dia **datang** (Aksi 2)."*

Kunci Otomatis (Mutlak):

Sama seperti Present Perfect, kata kerja di sini **TERKUNCI MATI di V3 (Past Participle)** pada semua

2. NOMINAL SENTENCE (To Be)

Fokus ke Keadaan, Sifat, atau Lokasi yang SUDAH terjadi sebelum waktu lain di masa lalu.

Kenapa muncul "been"?

Sama dengan logika di Present Perfect! Tense "Perfect" mewajibkan penggunaan **V3 (Past Participle)** setelah kata bantu *had*.

Karena kalimat Nominal tidak punya kata kerja asli (hanya kata sifat/benda), kita menggunakan *To Be*. Dan bentuk V3 dari To Be (am/is/are/was/were) adalah **been**.

3. PASSIVE VOICE

Fokus pada Objek yang SUDAH Dikenai Aksi di Masa Lalu

Semua Objek (Tunggal & Jamak)

↓

+ Positive

`S (Obj) + had + been + V3`

The work had been completed by him.

↓

- Negative

`S (Obj) + had not + been + V3`

The work hadn't been completed by him.

4. ALUR WH-QUESTION (Alur Pertanyaan Terbuka)

Rangkai pertanyaan panjang dengan 4 gerbong berurutan ini:

1. WH-WORD	→	2. AUXILIARY	→	3. SUBJECT	→	4. VERB / COMP.
What, Where *When, Why, How*	→	**had** *(semua subjek)*	→	**I, You, They, We** *He, She, It*	→	**V3** *atau been + Adj*

Contoh Verbal: [What] → [had] → [you] → [eaten] before he came?

Contoh Nominal: [Why] → [had] → [they] → [been] late?
