PRESENT PERFECT : VISUAL TREE

Peta Konsep untuk Aksi yang SUDAH Selesai, tapi Masih Berdampak Sekarang

1. ACTIVE VERBAL SENTENCE

Fokus pada HASIL atau PENGALAMAN (Bukan waktu kejadiannya)

Gerbang: HAVE (I, You, We, They)

(+) Positive

`S + have + V3`

*I have **finished** my work.*

↓

(-) Negative

`S + have not + V3`

*I haven't **finished** my work.*

↓

(?) Yes/No Q

`Have + S + V3?`

*Have you **finished** your work?*

Gerbang: HAS (He, She, It)

(+) Positive

`S + has + V3`

*She has **left** the building.*

↓

(-) Negative

`S + has not + V3`

*She hasn't **left** the building.*

↓

(?) Yes/No Q

`Has + S + V3?`

*Has she **left** the building?*

⚠️ **HUKUM MUTLAK PRESENT PERFECT:**
Tidak seperti Simple Past/Present yang kata kerjanya kembali ke V1 saat ada *do/does/did*, dalam Present Perfect kata kerjanya **SELALU terkunci di V3 (Past Participle)**, baik di kalimat positif, negatif, maupun pertanyaan! (Bukan: ~~Has she leave?~~ -> Wajib: **Has she left?**)

2. NOMINAL SENTENCE (Keadaan/Status)

Menggunakan "BEEN" (V3 dari To Be) untuk Keadaan yang Masih Berlanjut

Gerbang: HAVE BEEN (I, You, We, They)

(+) Positive

`S + have + been + Comp.`

*They have **been** here for 2 hours.*

↓

(-) Negative

`S + haven't + been + Comp.`

*They haven't **been** here long.*

↓

(?) Question

`Have + S + been + Comp?`

*Have they **been** here long?*

Gerbang: HAS BEEN (He, She, It)

(+) Positive

`S + has + been + Comp.`

*She has **been** a teacher since 2015.*

↓

(-) Negative

`S + hasn't + been + Comp.`

*She hasn't **been** sick lately.*

↓

(?) Question

`Has + S + been + Comp?`

*Has she **been** busy this week?*

💡 **Kenapa pakai "BEEN"?**

Kalimat Nominal tidak punya kata kerja aksi. Di Present Tense kita pakai *am/is/are*. Di Past Tense kita pakai *was/were*. Karena Present Perfect WAJIB menggunakan **Verb 3**, maka kita mengubah *am/is/are* menjadi wujud V3-nya, yaitu **BEEN**. (Complement = Noun, Adjective, Adverb).

3. PASSIVE VOICE

Fokus pada Objek yang SUDAH Dikenai Aksi

Objek Jamak (They, We, You)

(+) Positive

`S(Obj) + have been + V3`

*The books have been **read**.*

(-) Negative

`S(Obj) + haven't been + V3`

*The books haven't been **read**.*

Objek Tunggal (It, He, She)

(+) Positive

`S(Obj) + has been + V3`

*The door has been **opened**.*

(-) Negative

`S(Obj) + hasn't been + V3`

*The door hasn't been **opened**.*
