SIMPLE PRESENT : VISUAL TREE

Peta Konsep High-Level Berdasarkan Pola Percabangan

1. ACTIVE VERBAL SENTENCE

Kalimat dengan Kata Kerja Aksi (Verb)

Subjek: I, You, We, They

(+) Positive

`S + V1 + Obj`

*They **play** tennis every Sunday.*

↓

(-) Negative

`S + do not + V1 + Obj`

*They **don't play** tennis.*

↓

(?) Yes/No Question

`Do + S + V1 + Obj?`

***Do** they **play** tennis?*

Subjek: He, She, It

(+) Positive (Khusus)

`S + V1(s/es) + Obj`

*He **plays** tennis every Sunday.*

**Wajib tambah s/es pada Verb*

↓

(-) Negative

`S + does not + V1 + Obj`

*He **doesn't play** tennis.*

**Verb KEMBALI murni tanpa s/es*

↓

(?) Yes/No Question

`Does + S + V1 + Obj?`

***Does** he **play** tennis?*

💡 **Konsep Kunci Verbal:** Percabangan utama ditentukan oleh Subjeknya. Jika subjeknya tunggal (He/She/It), hukum alamnya adalah menggunakan **s/es** pada kalimat positif, dan menggunakan **does** pada kalimat negatif/tanya.

2. NOMINAL SENTENCE (To Be)

Tanpa Aksi, Fokus pada Identitas, Sifat, atau Lokasi

Subjek: I (am)

(+) Positive

`I + am + Comp.`

*I **am** a doctor.*

(-) Negative

`I + am not + Comp.`

*I **am not** a doctor.*

(?) Question

`Am + I + Comp?`

***Am** I a doctor?*

Subjek: He, She, It (is)

(+) Positive

`S + is + Comp.`

*She **is** happy.*

(-) Negative

`S + is not + Comp.`

*She **isn't** happy.*

(?) Question

`Is + S + Comp?`

***Is** she happy?*

Subjek: You, We, They (are)

(+) Positive

`S + are + Comp.`

*They **are** here.*

(-) Negative

`S + are not + Comp.`

*They **aren't** here.*

(?) Question

`Are + S + Comp?`

***Are** they here?*

Apa itu Complement (Pelengkap)?
Karena tidak ada kata kerja (Verb), Complement diisi oleh:
Noun (Kata Benda: *a doctor, a book*) | **Adjective** (Kata Sifat: *happy, smart*) | **Adverb** (Ket. Tempat: *here, in the room*).

3. PASSIVE VOICE

Fokus pada Objek yang Dikenai Aksi

Objek Tunggal (It, He, She)

(+) Positive

`S(Obj) + is + V3`

*The room **is cleaned** daily.*

(-) Negative

`S(Obj) + is not + V3`

*The room **isn't cleaned** daily.*

Objek Jamak (They, We, You)

(+) Positive

`S(Obj) + are + V3`

*The books **are sold** here.*

(-) Negative

`S(Obj) + are not + V3`

*The books **aren't sold** here.*

---

4. ALUR WH-QUESTION (Alur Pertanyaan Terbuka)

Untuk membuat pertanyaan What, Where, When, Why, How, cukup ikuti 4 gerbong urutan ini:

1. WH-Word	→	2. Auxiliary	→	3. Subject	→	4. Verb / Comp.
What, Where When, Why, How		do / does (atau am/is/are)		I, You, They, We He, She, It		V1 Murni atau Pelengkap

> **Contoh Verbal:** [Where] → [does] → [he] → [live]?
> **Contoh Nominal:** [Why] → [are] → [you] → [late]?
